

# AVIS AU PUBLIC

Suite aux doléances reçues de la part de nos fidèles et loyaux clients, ayant trait a des agents malhonnêtes et peu scrupuleux qui veulent faire passer des casseroles de cuisine autre que la marque AMC pour des ustensiles AMC, nous tenons à aviser nos clients et le public en général que toutes les casseroles AMC proviennent uniquement de l'Afrique du Sud et doivent porter le logo AMC qui n'est accompagné d'aucun mot additionel. Avant votre achat, on vous conseille de bien vérifier si le logo AMC figure sur le fond extérieur de la casserole et sur le visiotherm indiquant la température de la cuisson. (*voir ci dessous*)
